

Grande...

One Inch Matting!

NOTRAX® introduces **Grande** a full line of 1" laminated matting products. These mats are the ultimate anti-fatigue product to maximize worker productivity and comfort. Each of the top surfaces are bonded to a resilient, dense molecular-structured sponge base to enhance ergonomic benefit.

NOTRAX® offers the **Grande 1"** mat in the following top surfaces:

- PVC - Diamond
- Rubber - Marble
- Rubber - Pebble
- Rubber - Corrugated

The variety of top surfaces are offered to suit each individual work environment and traffic pattern. Especially suited for multi-shift operations and other heavy duty applications.

If you want durability, comfort and long lasting performance...you want NOTRAX® Grande 1" mat!

Finally, A Mat Worth Standing On... Why Settle for Less?
